

**REMARKS**

Claims 1-8 are pending. Claim 1 was withdrawn as being directed to non-elected subject matter. Claims 2-8 were deemed allowable upon the correction of an informality in claim 2. The title was objected to as not being descriptive of the invention.

Claim 1 has now been canceled. The claims have now been amended to correct informalities. The title has now been amended. Reconsideration of the application is respectfully requested.

**Objection to the Title**

The title was objected to as not being descriptive of the invention. The title has been amended to be directed to the elected subject matter. Reconsideration and withdrawal of the objection to the title is respectfully requested.

**Objection to the Claims**

Claim 2 was objected to because the antecedent of "laminates" is the singular "laminate". Claim 2 has been amended to correct the informality. Reconsideration and withdrawal of the objection to claim 2 is respectfully requested.
